LinkedIn: Sujal Shrestha

Portfolio: sujalshrestha.com.np

Education and qualifications:

SEE: Motherland Sec. Bor. School (3.85)

Higher secondary level (+2): Capital College and Research Center (CCRC) (3.25)

Under-Graduate: Islington College (second year running)

Work Experience:

Being a student I don't have experience of real world, but I do have experience of some college projects. I have completed few projects based on Java, SQL, python, HTML, CSS, JavaScript.

All the projects have been linked to my portfolio.

Skills:

- Java
- HTML
- CSS
- JavaScript
- Python
- SQL
- Communication
- Problem solving

Certifications:

- Cloud Foundation
- Cloud data engineering
- Cloud Natural language processing
- Cloud Machine learning

Interest & Activities:

As I am a Student, I am trying to master java programming language along with different frameworks and building my problem solving and communication skills. I aim is to become a sucessfull developer.
